TO OUR CUSTOMERS:

We've had a number of requests from our customers to provide pricing guidance through calendar year 2016. First, National Gypsum Company wants to reaffirm that our policy of not quoting individual jobs will remain in effect during 2016. Customers are urged to use the following price guidelines for jobs they must quote in 2016.

We are announcing 2016 wallboard price increases in two phases:

First, effective with shipments on and after Monday, March 14, 2016, pricing on all wallboard products will increase to a level which will be 10% over prices in effect today, September 8, 2015.

Second, effective with shipments on and after Monday, August 15, 2016, pricing on all wallboard products will increase by 10% over prices in effect Friday, August 12, 2016.

It is our intention that the resultant prices after the second increase will be good through December 31, 2016.

Thank you for your continued business and support. If you have any questions, please contact your local National Gypsum Company Sales Representative or Customer Account Specialist.
